Description

as

Terms of Service Agreement

Flugator Inc. DBA Zpayd.com acts as a third party in bill payment processing, pursuant to Terms and Services posted on zpayd.com Customer acknowledges that the work and delivered invoice are for consumed services and under no circumstance, customer shall make any claim, chargeback or a refund toward Flugator Inc. or any of its affiliated businesses. The biller has provided the customer with the invoice and it is up to customer's discretion to approve the invoice and continue with the payment. If future disputes arise as a result of this contractual agreement between biller and customer, the customer is encouraged to pursue any future matter with the biller directly. Flugator Inc. DBA Zpayd.com reserves the right to terminate customers from its platforms, if a breach of terms and services occurs (such as chargeback, refund or any other financial and non financial claims are made).
